"I chose Thomas Edison State University because, in order to be considered a qualified candidate, it was important for me to enroll in a quality BSN program. The online curriculum was convenient for me as a nurse working 12-hour shifts with three or four days off in between."

Kathleen "Katie" McShane, BSN '14, MSN '17

DEEPEN YOUR IMPACT ON THE HEALTHCARE COMMUNITY

The Bachelor of Science in Nursing (BSN) degree program is designed for registered nurses (RN) who want a quality education with the convenience and flexibility of an online program.

With many credit-earning options, you can achieve your educational goals in a manner that saves you time and money. The program builds on your prior education and experience awarding up to 90 community college credits in transfer. The curriculum builds knowledge in a wide array of areas, including leadership in nursing, advanced health assessment and health policy. You also work on your Master of Science in Nursing (MSN) while completing your BSN.

The program's unique format enables students to apply up to 12 credits toward the MSN degree*.

*Only 9 credits will transfer into the MSN Nurse Educator area of specialty.

PROGRAM ADVANTAGES

- ▶ Open and rolling admissions, so RNs can enroll any day of the year
- ▶ Up to 90 credits from a community college may be transferred and applied to your BSN degree
- ▶ Up to 60 credits awarded to diploma graduates toward BSN degree
- ▶ Achieve your educational goals in a manner that saves you time and money
- ▶ 12-week online courses, offered monthly
- ▶ No waiting list
- ▶ Technical and Nursing advisor support
- ▶ Competitive tuition
